

EVENT PROPOSAL	
Event Name	Animatiefy: (Workshop on CGI Animation)
Date(s)	15-05-2022
Number of Days	01
Time	11:00 AM TO 12:30 PM
Location Mode (Online / Offline)	Online in Zoom Meet
Purpose of Event	The event aims to give students a gist of CGI Animation and how CGI elements, 2D and 3D, are mixed with live-action footage. This event mainly helps the attendees to increase their involvement in designing and producing the images they need to represent compared to traditional photography.
Target Audience	1 st – 4 th Year Students
Expected Number of Attendees	150-200
Event Description	This workshop will train the participants to get started with 3D Animation and animation essentials, including software and principles of 3D Animation. It will be a good approach that promotes experiential learning on technical and creative aspects, workflow guides, and layers of CGI.
Learning Outcome	The event helps the participants to have an effective and proven method of learning the basics and techniques involved in CGI Animation. This workshop also assists the students with a flexible, interactive way of learning their skills with ease in the field of Animation.
