GITAM University Visakhapatnam

# About Us

Since its inception in 2014, ACM has been a constant asset to its members, for advancing computing skills by providing quality content and information, community building, reliability, and a global vision. ACM offers the computing field's Premier Digital Library which serves leading-edge publications, conferences, and resources. ACM also provides volunteering opportunities that create networking possibilities and enhance career development.

For all the above reasons and more, ACM was awarded 'The Best Club' for the academic year 2020-2021 by the Directorate of Students Life, GITAM.

# Why should you join us?

ACM provides you with tools and resources that help in advancing your career and enriching your knowledge with life-long learning resources. Upon becoming a member of ACM, you receive many perks that will come of great use to you through your years in college. This includes:

- ACM's Career & Job Center, where one can find targeted job opportunities and more.
- Thousands of online books, courses and short videos from Skillsoft, covering the most in-demand skills, software, and technologies for computing professionals.
- Access to the entire ACM Digital Library, which includes over 2 million pages of text.
- Participation in ACM Distinguished Speakers Program (DSP).
- ACM gives unique volunteering opportunities to gain hands-on experience and knowledge of the workplace.

# Membership Details

## How do you become a member?

ACM GITAM currently has over 500 members and for you to become a member, you are simply required to fill out a form with your details and then pay a minimum amount towards your membership.

## How to make it to the core team?

The Core Team recruitment process contains two rounds.

- The First Round is mainly designed to test your skills and to see whether or not you would make a good fit in the team.
- Selected candidates will then face the Second Round i.e., a one-on-one interview. This round is about your personality, body language, and confidence. Based on these two rounds, the best candidates are selected.

In the end, the most important thing is being a member of the ACM Student Chapter. You may be in the core team or just be a member but the possibilities of contributing to the club are endless.
