EVENT PROPOSAL

Event Name	DSA Engage
Date(s)	05-02-2022
Number of Days	01
Time	11:00 AM TO 1:00 PM
Location Mode (Online / Offline)	Online in Google meeting
Purpose of Event	The purpose of the event "DSA Engage" is to make students aware of the importance of data structures and algorithms and their applications in real-life. This event helps attendees to increase their involvement in the programming field and to get the basic knowledge of implementation of standard algorithms.
Target Audience	1st – 4th Year Students
Expected Number of Attendees	150-200
Event Description	The event "DSA Engage" is being conducted in collaboration with Coding Ninjas. In this webinar, experts in technological domain address the participants on various aspects of application of data structures. This event enlightens the attendees about the role of data structures and algorithms in the day-to-day life of an engineering student.
Learning Outcome	The event helps the participants to improve their analytical skills as they are a useful tool to pick out the underlying algorithms in real-world problems and solve them efficiently. It offers the chance for attendees to solve problems and increases their problem-solving capabilities.
Budget required	NA
Any other resources required	Zoom ID and password Participation Certificates
